HOSPITALITY

making the uncommon common / charlotte north carolina

At any Rare Roots Hospitality restaurant, we want you to feel like family. During this time, we plan to do all that we can to make you feel comfortable when you dine with us. Across all of our restaurants, we are implementing the following safety precautions that will keep both you and our employees safe. We will:

- Limit capacity to 50% of maximum stated capacity.
- Enforce social distancing measures including increased space between tables and waiting areas.
- Conduct daily symptom screening and temperature checks for all employees before the start of their shifts.
- Introduce hand sanitizing stations placed throughout each restaurant.
- Utilize Single-use disposable menus.
- Offer contactless payment options.
- Request that anyone who has tested positive for Covid-19, been symptomatic with a fever or cough or has been around anyone who has tested positive for Covid-19 within the last two weeks, not enter.
- Perform ongoing and routine cleaning and disinfection of high-touch areas.

We thank you for your understanding and cooperation as we aim to keep everyone safe.
